

# Artificial Intelligence

---

Group Project  
Storyboard Presentation

# Background

- Theme: Future Life with AI
- Time: Oct 20<sup>th</sup>, 2060
- Location: London, The United Kingdom
- Protagonist: Dr. Sarah
- A common day of Dr. Sarah working in Queen Mary's Hospital

# Scene 1: Morning Routine

- Time: 7:00 a.m.
- Location: Bedroom
- Introduction: Dr. Sarah wakes up to a gentle voice from her AI assistant, reminding her of her schedule and suggesting a healthy breakfast based on her dietary preferences.

## Scene 2: Commute to Work

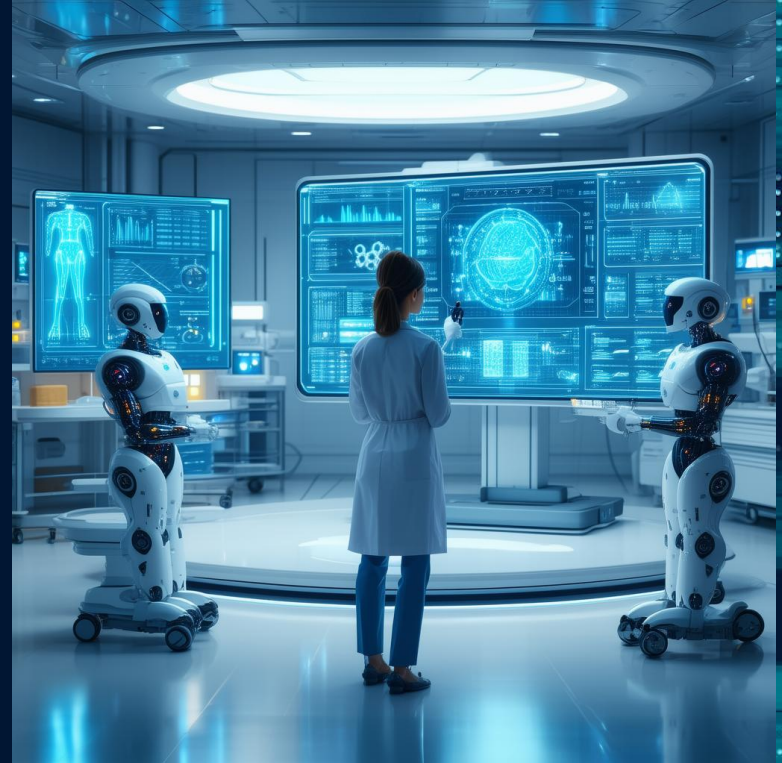

- Time: 8:30 a.m.
- Location: Way to Work
- Introduction: Dr. Sarah reviews patient files on her tablet while the car drives itself. The AI provides traffic updates and suggests the best route.

---

## Scene 3: AI in the Hospital

- Time: 10:00 a.m.
- Location: Office
- Introduction: Dr. Sarah consults with an AI diagnostic tool that analyzes patient symptoms and suggests potential diagnoses from the data received yesterday.

## Scene 4: Patient Interaction

- Time: 11:30 a.m.
- Location: Surgical ward
- Introduction: Dr. Sarah uses an AI-powered health monitor to gather detailed health metrics from a patient. The AI provides insights based on the data collected.

---

## Scene 5: Collaborative Surgery

- Time: 01:00 p.m.
- Location: The Operating Room
- Introduction: Dr. Sarah performs surgery with the assistance of a surgical robot powered by AI, which enhances precision and minimizes risks.

---

## Scene 6: Research and Development

- Time: 04:30 p.m.
- Location: Data analysis room
- Introduction: Dr. Sarah collaborates with AI researchers to analyze large datasets for medical research, discovering new treatment.

---

## Scene 7: Leisure activities after work

- Time: 05:30 p.m.
- Location: Park
- Introduction: Dr. Sarah plays chess in the park with an AI robot after work.

## Scene 8: Evening Routine

- Time: 07:00 p.m.
- Location: Living room
- Introduction: Dr. Sarah collaborates with AI to prepare dinner and projects on the window a beautiful landscape videos, creating a calming atmosphere.

## Scene 9: End of a day

- Time: 10:00 p.m.
- Location: Bedroom
- Introduction: Dr. Sarah collaborates with AI to a project a Starry sky environment and goes to sleep peacefully.

**Thank You !**
